### **DETAILED ACTION**

1. Applicant's communication filed on June 22, 2006 has been carefully studied by the Examiner. The arguments advanced therein, considered together with the amendments made to the claims, are persuasive and the rejections based upon prior art made of record in the previous Office Action are withdrawn. Claims 1-33 are canceled. Claims 34-38 are new. Claims 34-38 are pending.

#### ***Information Disclosure Statement***

2. The prior art documents submitted by the applicant in the Information Disclosure Statement filed on April 13, 2006 have all been considered and made of record (note the attached copy of form PTO-1449).

#### ***Allowable Subject Matter***

3. Claims 34-38 are allowed.

4. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose or reasonably suggest, either alone or in combination, an optical module comprising an optical devices mounted on a substrate, a V groove provided in said base, the base having first U groove, a second U groove, and a projection formed between the cavity (formed by the base and cap of the plastic package) and the second U groove and comprising the first U groove, wherein each depth of the first and second U grooves is formed so that the height of the fiber increases from an extreme end thereof at the V groove portion to the U groove.

5. Yeandle et al. (U.S. Patent 6,321,165) discloses an optical module wherein the bare portion of the fiber is exposed to a bend (i.e. the height of the fiber increases from a bare portion

Art Unit: 2874

to a jacketed portion). However, Yeandle et al. does not disclose or reasonably suggest the plastic package, integral lead frame, and the respective grooves as claimed.

6. Therefore, claims 34-38 are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
